

Conditions of Use

The University of Calgary reminds patrons of current usage policies:

1. Patrons may not download, reproduce, alter or transmit files without written permission of University of Calgary officers
2. Files may not be used for commercial purposes
3. Files are copyright protected by the original owners and are made available by the University of Calgary with appropriate permissions

It is not in the best interest of patrons to download and repurpose University of Calgary files as the files are continuously being updated.
